Contact From Planet Apu: Beings From the Future Among Us Ricardo Gonzalez

In this revealing book, Ricardo González shares his incredible experiences with the Apunians, extraterrestrial beings that come from the future with a powerful message. “The messages of the Beings are very precise and they have the elements to verify them. There is a hopeful future, but some old structures have to be transformed. What I would say to people is not to be afraid because fear is the antithesis of love. Fear paralyzes and does not allow us to make the right decisions. We have to open our consciousness to react according to that and to create a better future for us all. Extraterrestrials may support us but they will never solve our problems. The real contact is with ourselves.” –Ricardo González
