**Didache: The Teaching of the Twelve Apostles (Early Christian Apocrypha)** Clayton N. Jefford  
Rediscovered in 1873, the Didache provides a glimpse of early Christian ritual and liturgy. It is the very first manual for Christian life. Here Clayton Jefford presents parallel translations of the original-language manuscripts - from Greek, Latin, Coptic, Ethiopic, and Georgian. His detailed introduction places the Didache in its historical context, and cross references and notes on sources enable in-depth study.
