Globalization in World History (Themes in World History)

Peter N. Stearns

Globalization in World History (Themes in World History) Peter N. Stearns

In this revised edition of *Globalization in World History*, Peter Stearns explores the roots of contemporary globalization, examining shifts in the global flow of people, goods and ideas as early as 1000 CE. Exploring how four moments in history have accelerated the process of globalization, Stearns's narrative details how factors such as economics, migration, disease transmission, culture, the environment, and politics have influenced the nature of globalization as we understand it today.

This revised and updated second edition includes:

- A broadened discussion of regional reactions to globalization, anchoring the topic in world history and allowing for discussions of nationalism.
- A detailed look at the effects of globalization on the environment.
- An expanded analysis of athletics, youth culture, and the problems of globalization today.
- A supplementary online chapter-by-chapter reading guide, which provides additional background context and support for readers.

With an interdisciplinary approach that links political, sociological, and historical perspectives, Stearns's book provides an ideal overview of the current state of globalization and the historical factors that have shaped it.

From reader reviews:

Mary Deemer:

Reading a publication tends to be new life style with this era globalization. With looking at you can get a lot of information that will give you benefit in your life. Using book everyone in this world may share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their reader with their story or even their experience. Not only situation that share in the guides. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors in this world always try to improve their proficiency in writing, they also doing some investigation before they write to their book. One of them is this Globalization in World History (Themes in World History).

Patty Shield:

Reading a book being new life style in this calendar year; every people loves to examine a book. When you go through a book you can get a lots of benefit. When you read publications, you can improve your knowledge, because book has a lot of information upon it. The information that you will get depend on what kinds of book that you have read. If you would like get information about your analysis, you can read education books, but if you want to entertain yourself look for a fiction books, these kinds of us novel, comics, and soon. The Globalization in World History (Themes in World History) will give you new experience in reading a book.

Michael Anderson:

Beside this specific Globalization in World History (Themes in World History) in your phone, it can give you a way to get nearer to the new knowledge or info. The information and the knowledge you can got here is fresh in the oven so don't possibly be worry if you feel like an previous people live in narrow town. It is good thing to have Globalization in World History (Themes in World History) because this book offers to your account readable information. Do you at times have book but you would not get what it's about. Oh come on, that won't happen if you have this inside your hand. The Enjoyable set up here cannot be questionable, such as treasuring beautiful island. Techniques you still want to miss the item? Find this book along with read it from at this point!

David Paras:

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's

country. Therefore , this Globalization in World History (Themes in World History) can make you experience more interested to read.
