Brandon Thomas liked his job as an orderly at the Gervais Institute of Study, but then, things had started to get a little weird. The military moved in, and armed soldiers roamed the halls. Told to report to his supervisor, he's surprised to learn that he has received a promotion. Brandon's promotion turns into a nightmare when he finds himself poked and prodded by a mad doctor and told he's become part of a government experiment. Escaping seems impossible, until a sexy man with beautiful blue eyes comes to Brandon's rescue. One thing leads to another, and Brandon finds himself bonded to a Seelie elf from another world. On the run from the institute's retrieval team, Brandon tries to understand everything Kavin is explaining about his world and his kind, all the while wondering if the man is crazy. He has to be, right? Seeking to keep Brandon safe, Kavin forces the man through the veil between worlds. When circumstances prevent Kavin from immediately following Brandon through the veil, Brandon ends up in the Unseelie Court and in the hands of a total stranger. With no hope of escape, Brandon wonders if he will ever see his perfect elf again.
