Lauren Hudson steps out of the classroom to give us a no-nonsense lesson on making it in America by following the lives of three friends and their climb to success. Her father, Robert Hudson, adds lessons and tips from our history with a clear eye on building the American Dream. Starting young will increase our children's ability to achieve financial independence through education, hard work, and perseverance lessons and values we know, but sometimes get lost in our ever increasing political environment.

How successful can our youth be in America? If we create the best business climate in the world, there is no limit. Can Isabella, a once poor, unpopular girl, with no friends, someday become a business owner, a Governor, or even President of the United States? In America, anything is possible.

Students who read *Our Best Tomorrow* will cast aside notions of false utopias to embrace the principles of hard work that made America great. *Our Best Tomorrow* sets the record straight, through the captivating stories of three childhood friends. Isabella, Jake and Adelaide experience success, setbacks, heartache, and joy as they make their way in the world, striving for American exceptionalism.

Our Best Tomorrow is the student follow-up book to Robert D. Hudson's *A Better Tomorrow Fighting for Capitalism and Jobs in the Heartland*. *A Better Tomorrow* became an Amazon #1 Hot New Release and Bestseller. It received the Silver Medal in the National E-Lit Awards and the New York Book Festival recognized it as one of the nation's best business books in 2013.

Rob's daughter, Lauren Hudson, a gifted 13-year-old writer, co-authored *Our Best Tomorrow*. Capitalism is about success and freedom. Accordingly, the authors have studiously avoided party politics and political labels. *Our Best Tomorrow* presents an optimistic, unabashedly pro-business, opportunity-based message tailored for America's youth.
