Selwyn's Law of Employment

Norman Selwyn

Selwyn's Law of Employment Norman Selwyn

Selwyn's Law of Employment is the market leading textbook on employment law. Now in its sixteenth edition, it has long been viewed as essential reading for students of employment law and employment law practitioners together with those studying the law in a business or professional environment.

Norman Selwyn, a former university lecturer with over forty years' experience of employment law, excels in providing clear and succinct analysis on all areas of employment law from both an individual and collective standpoint. The breadth of coverage of case law and statutory material is unrivalled and ensures the reader is fully up to date on all areas of this fast moving area of the law.

The new edition has been thoroughly revised to take account of all the most recent changes to this area of law and in particular provides up to date analysis of the new Equality Act and the impact it will have on discrimination in the work place.

Online Resource Centre

This book is accompanied by an Online Resource Centre, which offers reliable and regular updates to the law following publication and also has a very interesting author Q&A session.
