StinkyKids Have a Heart Britt Menzies

In this little stinKer adventure, best friends Britt and Jen are enjoying a fun summer day at the pool with all of the StinkyKids. While playing Marco Polo, the kids hear a familiar sound...the ice cream truck. The StinkyKids excitement over these tasty treats quickly turns sour when Britt and Jen get into a disagreement over which flavor they should all buy. Jen tells Britt that she wants them to get the same flavor because “that’s what best friends do.” Britt gets upset as she does not like Jen’s bullying and does not want to follow her. Can these best friends be Leaders of Good and “work it out,” or will their fun day at the pool turn into just a wet and soggy afternoon? Can the other StinkyKids help Britt and Jen get over their troubles or will they all have to learn a lesson about what it means to “Have A Heart”?

StinkyKids Have A Heart is the third book in the StinkyKids series, which delivers another fun-filled story of learning from your mistakes and striving to “Always Be A Leader of Good.” Also enjoy StinkyKids And the Runaway Scissors and StinkyKids See A Full Moon, available in hardcover print and digital formats.

From reader reviews:

Ruben Martin:

As people who live in the actual modest era should be up-date about what going on or facts even knowledge to make all of them keep up with the era that is certainly always change and move forward. Some of you maybe will certainly update themselves by looking at books. It is a good choice to suit your needs but the problems coming to you actually is you don't know which one you should start with. This StinkyKids Have a Heart is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and want in this era.

Molly Wilson:

Information is provisions for people to get better life, information currently can get by anyone with everywhere. The information can be a understanding or any news even an issue. What people must be consider while those information which is within the former life are hard to be find than now's taking seriously which one would work to believe or which one the resource are convinced. If you obtain the unstable resource then you get it as your main information there will be huge disadvantage for you. All of those possibilities will not happen in you if you take StinkyKids Have a Heart as your daily resource information.

Jonathan Smith:

Your reading 6th sense will not betray you, why because this StinkyKids Have a Heart e-book written by well-known writer who really knows well how to make book which might be understand by anyone who also read the book. Written in good manner for you, leaking every ideas and publishing skill only for eliminate your own hunger then you still question StinkyKids Have a Heart as good book not merely by the cover but also through the content. This is one book that can break don't judge book by its cover, so do you still needing an additional sixth sense to pick this!?! Oh come on your reading sixth sense already told you so why you have to listening to a different sixth sense.

Kevin Lewis:

As we know that book is very important thing to add our information for everything. By a e-book we can know everything you want. A book is a pair of written, printed, illustrated as well as blank sheet. Every year ended up being exactly added. This reserve StinkyKids Have a Heart was filled regarding science. Spend your extra time to add your knowledge about your research competence. Some people has distinct feel when they reading some sort of book. If you know how big benefit from a book, you can feel enjoy to read a reserve. In the modern era like at this point, many ways to get book you wanted.
