When tracking animals in Africa, guides rely on spoor (tracks and dung) to let them know where and when animals are present. African Animal Tracks is the perfect pocket-sized, folding guide for nature enthusiasts wanting to learn more about the science of tracking many of these nocturnal species. Beautiful illustrations highlight more than 80 species and their signs. Laminated for durability, this lightweight guide is a great source of portable information and ideal for field use by novices and experts alike. Made in the USA.
