**Atheist Activist!: Tales From the Trenches of the Freethought Movement** Joe Zamecki

One of “5 Awesome Atheists Under the Radar.”

-Steven Olsen, Patheos.com

*Atheist Activist!* is an in-depth, behind-the-scenes look at the Freethought movement from the perspective of an ex-Christian Atheist activist. After experiencing the negative aspects of a Catholic primary education, Joe Zamecki decided to crusade against religious indoctrination and abuse, with eight years as a full time employee of American Atheists, Inc. and a stint as the national organization's Texas State Director.

Zamecki's pioneering work includes helping to found Atheists Helping the Homeless, *The Atheist Experience* television show, and countless hours campaigning for the rights of Atheists and the freedom of those shackled by religion. Experiences with Tadpole Cannibals, ambush debates, cross-country voyages, picketing the president, averting stalkers, water-logged libraries, self-induced religious fits, marches on Washington, and solstice parties merely scratch the surface in the life of this self-described “loudmouth for the Freethought movement.”

“Joe Zamecki takes the reader on a historical and insightful journey of activism. His tireless efforts serve as an inspiration to all of us who strive for separation of state and church.”

-Arlene-Marie, Director of Michigan Atheists
