Color Reality series coloring books allow you to color at a level of detail you might never guessed you could. Grayscale coloring books although appear quite intimidating at first, are much easier than you would think. When coloring them, simply select your color pallet and start coloring. Begin with a light touch, you can always go darker. Going lighter is tough, if not impossible depending on your tools. Let the grays guide your hand, within no time it will become second nature to increase the color as the grays get darker. Your artwork will spring to life as you progress through the page. Due to the Color Reality series pages all derived from beautiful photographs taken around the world. Your final result will amaze you. Take your time and enjoy. The pages are 8 x 10 plus the spine so you can cut them out and hang them as any photograph.
