As far as twenty-seven-year old Ellie Jones is concerned, she is not only the youngest CEO in her company's history, she's also the best. So when Daniel Treville—one of the richest men in America—purchases the company and wants to lead it in a new direction, Ellie is not about to give up power without a fight.

Daniel is not a man to be trifled with, however, and when she defies him Ellie quickly finds herself pulled over the handsome billionaire's knee for a painful, humiliating bare-bottom spanking. Yet despite her outrage and embarrassment, Daniel's firm chastisement leaves her unbelievably aroused, and when he takes her long and hard on her own desk it is by far the hottest thing she has ever experienced.

But Daniel has much more than just a good, hard spanking planned for Ellie. He has it in mind to own not just her company, but her as well. She will remain CEO, but she will also have a new role as his sexy, submissive pet, and soon enough Ellie finds herself naked except for a tail in her bright red, well-spanked bottom, being taught to please her new master properly.

Though she cannot deny the fact that Daniel's dominance sets her ablaze with desire, Ellie still has a thing or two up her sleeve, and he will have to work hard to keep her in line. But when she takes her defiance too far and ends up in over her head, will she end up losing Daniel forever?
