Gina Wilde has her sights set on her hot psychology professor, Dr. Trey Stanton. Despite giving him her most seductive come-hither looks in class and sitting on the front row in skimpy outfits, he doesn't seem to notice she's alive. Heck, he probably wouldn't bat an eyelash even if she balanced a brownie—the scrumptious kind she's been baking for him all semester—on the tip of her nose while spinning around in a tutu. Nonetheless, she will not be deterred. With a relentless stubbornness, she's determined to crack his stuffy, stoic exterior and worm her way into his heart. It kills Trey Stanton to rebuff the beautiful, bubbly sophomore sitting in the front row lustily eyeballing him as if he was her favorite dessert. Although he's flattered and, in another reality might reciprocate, there's only one bone-crushingly painful reality. One where he can never again risk his damaged heart. So, no matter how she looks at him with those dark-brown, sultry eyes or how much she crosses and uncrosses those shapely legs or leans forward and reveals the swell of her creamy breasts, he must diligently resist her and her delectable, mouthwatering brownies. Brownie Boo is part of the Plus Size Romance Series. Each book is a standalone with no overlapping characters, storylines or cliffhangers. This series is a perfect combination of romance, steamy love scenes and humor. The stories are sensual and romantic, uplifting and lighthearted. Feel-good reads that leave you feeling great!
