Helmut Newton: Sex & Landscapes

Philippe Garner

Helmut Newton: Sex & Landscapes Philippe Garner **Danger and decadence**

The collection *Sex & Landscapes* brings together a rich selection from Helmut Newton's little-known landscape and travel photographs, as well as unseen "tougher" sex pictures, described by Philippe Garner of de Pury & Luxembourg as "Helmut's world of dark, brooding seas, baroque statuary, crashing waves, a long desert highway under threatening skies, a Berlin park at dusk, enigmatic apartment buildings at night, the Rhine seen from the air, the shadows of airplanes, all this interwoven with hard and voyeuristic sexual imagery, plus a touch of his high style and glamour."
