Sir John Hawkwood (L'Acuto) Story of a Condottiere; Translated from the Italian of John Temple-Leader, Giuseppe Esq: By Giuseppe Scott (Classic Reprint) John Scott. Leader

A lius alio jdttra incenire potest, nemo ontnia. A usomus. The history of the mercenary companies in Italy no longer remains to be told; it having been published in 1844 by Ercole Ricotti; however, several successive monographs on the same subject have produced such a wealth of information from new sources that Ricotti swork, estimable as it is, almost requires to be rewritten. The A rchlvio Storico I taliano has already recognised this by dedicating an entire volume to Documents for the history of Italian ivarfare, from the 13 1to the 16 1centuries collected by Giuseppe Canestrini. These are of great importance; but even taking into account all we owe to them, and to all that later historical researches have brought to light, the theme is not yet exhausted: truth is like happiness, and though as we approach we see it shining more intensely, and becoming clearer in outline, yet we can never feel, that we have obtained full possession of it. One of the most celebrated condottieri was the Englishman John Hawkwood, or as contemporary Italian chroniclists put it Giovanni A cuto; whom Filippo Villani proclaims as grand master of war. Giovio with elegant laconism defines hinig acerrimus bellator et cunctator egregius, while Muratori recognises him as a brave and wary captain, qualifying his praise however by adding a brigand of the first rank; and A mmirato says by many proofs he showed himself valiant and courageous in his own person, astute in reaping advantages, and a man who could wait the results of action without hurrying to obtain fame.
