The Cowboy's Proposal Monica Castle

Jessica Brookes is a bartender from New York City and she had no idea that her life was about to change forever when a certain customer walked into her bar one day. Jason Houston is a cowboy rancher in the big city on business. When he stops by Jessica's bar for a quick drink he finds he can not take his eyes off her. Women like her simply do not exist where he comes from and he is more then intrigued. She serves him, they talk, they flirt and then when Jason has to leave he makes a very interesting proposal to Jessica. He invites her to stay with him at his ranch for the weekend and in return he will buy her the beauty salon business she has always dreamed of. Jessica finds Jason's proposal to be very humorous and does not take it seriously, however she does take his phone number. But little does she know, Jason is not just any cowboy, he is actually a BILLIONAIRE COWBOY and as far as he is concerned his proposal is a very, very serious one....
