**Through Struggle to the Stars: A Story of an Earned Freedom** Mr. Darren Z Vogel

At the turn of the twenty-second century, a government regime called the Tristar, took over the United States. It eliminated all ideas of individuality and freedom. To ensure this goal, the nation is under marshal law, people have to wear uniforms, you don't have a true name, and the government performs public executions to scare the population. A boy named XJC05, or Justin, is just your average innocent boy. He grew up in this type of society where everything is restricted. But he knows something is wrong. He knows that people being stripped of their individuality is wrong. In this short story adventure, Justin discovers himself and the things he can do. This is a bildungsroman in which, Justin matures from a young boy into a man through the struggle to gain his country's freedom back, in the United States' second civil war. Long Live Freedom!
