[Siren Menage Amour 43: Wild West Menage Romance, F/M/M/M/M] They're not your average bad boys. They're armed, dangerous, and ready to kill. Trouble with that is, they look good enough to eat, even when they're drawing their guns. Still, Emily has somehow avoided getting tangled up with the three men who share too many delicious similarities. They should--they're cousins. Making a pact to stay away from the gentle and beautiful woman living all alone, the outlaws form a friendship with Emily and it proves important soon enough. With a crooked town and a bought marshal, Emily never sees the trouble that comes looking for her. She never expects the kind of danger she'll be forced to face alone. But she's not alone. With a torn dress, swollen face, and men just positioned to take advantage of her, Clay, Levi and Luke make it to her place in time to save her, but it isn't enough. Soon, they want to make it their full-time duty to love and protect her. However, she's not ready to love three men who are wanted by every lawman in the west, until she realizes the true pleasure found when a woman is wanted by three handsome outlaws...and the marshal who can save them all. \*\* A Siren Erotic Romance \*\* 4 Kisses: This is a good read, quick and just really flowed together easily. It was steamy from the beginning and wow, just got even better. Wanted by Outlaws has a good plot and a good ending to the story, which with some short stories is hard to find. Natalie Acres did a great job with this one. I will be revisiting it again in the future." -- Lila, TwoLips Reviews
