For most of us, one of the most rewarding, yet difficult tasks, is preparing messages to preach and teach. We are honored by God to stand before our congregation each week, and we want to give them the very best, but with the press of the many demands of ministry, sometimes that is difficult to do.

And if you're like me, you prefer writing your own sermons because you have a special connection with your congregation that is hard to reach through a message someone else has written. In other words, no one knows your people like you do!

Our new Pulpit Outline Series gives you a starting point – a sermon title, a deductive sermon outline; and a relevant illustration you can use however you like. In this edition, rather than an outline, we have given you full manuscript messages that can be edited to suit your purposes.

We invite you to make these messages your own, because only you know the people God has called you to preach to.

And we are so honored that you've invested in this unique third volume in the Pulpit Outline series – *52 Funeral Sermons*. We have put together the most tasteful, relevant, and Biblical messages possible.

May God Bless You as You Share His Word!
