Have you ever felt frustrated with Microeconomics texts? If so, this book is your answer. Don't Worry About Micro is not simply an addition to the long list of first year texts - it constitutes a new type of text altogether. It combines the academic rigour of standard textbooks with the applied nature of study guides and the user-friendly approach of "popular" publications. A student-focused approach is adopted while the highest standard of teaching quality is maintained throughout. Every chapter is structured like a seminar. This book has the potential to save you a lot of time and can help you achieve better results in your examinations.
