**India Design Yearbook** The Confederation of Indian Industry

The CII Design Yearbook 2013 contains the best entries in design for the year 2012 13. A wide range of projects will be presented in the volume from 4 different categories viz. visual communication, industrial design, interaction design and mobility design.

The Design Yearbook is a medium to communicate the best of design emanating from those countries in diverse design disciplines. These yearbooks become an international reference for excellent design.

Companies, journalists, architects, planners, designers and people all over the world who are interested in design use the yearbooks for their day-to-day work and keep them over the years as collectors items and an archive of excellent design.

The CII Design Yearbook the first such endeavour from India aims to capture over 200 recent projects in which the companies / design firms have employed agile design thinking, methodology and processes to achieve success for clients, partners and end users.
