The Fifth Gospel: A Verse-By-Verse New Age Commentary on the Gospel of Thomas Robert Winterhalter

"The Fifth Gospel" is written to begin an ongoing process, by a wider public, of the interpretation and use of the Gospel of Thomas. This amazing rediscovery, first appearing in 1945, helps point the way to the realization of the Inner Light, the Indwelling Christ, the kingdom of God that is within and yet among us. The author of Thomas would concur with this statement. May "The Fifth Gospel" be a stepping-stone to a deeper awareness of the Truth that sets us free.
