Abduction to the Ninth Planet : A True Report by the Author Who Was Physically Abducted to Another Planet Michel Desmarquet

In June of 1987, I was abducted by Extra-terrestrial Beings, highly evolved spiritually, and also the most technologically developed in our galaxy. They took me PHYSICALLY to their planet on a journey that had a time lapse of nine Earthly days. It was not an Astral travel, nor an Astral contact - I was there with my Physical Body, incredible as it may seem. By transubstantiation, we traveled through the light barrier, moving in and out of space and time, instead of moving through it. For our physical bodies of course, this is unexplainable, but I witnessed it... We are not the only human beings in the galaxy... This book not only conveys a message I am relaying on their behalf, it contains the most sensational revelations of the century... Amazing revelations on: Our purpose on Earth Reincarnation Life after death Invisibility, Levitation The Big Bang The Bermuda Triangle The Easter Island phenomenon The Great Pyramid as a cosmic tool And much, much more... ~from the back cover
