Bates Guide to Physical Examination and History-Taking of Lynn S. Bickley 11th (eleventh), Internatio Edition on 01 November 2012

This is a full color, English, South Asian edition. I used it throughout my dual emergency and family NP program at Emory. It was the same as all my other classmate's, but way cheaper! This book has had a lot of use. The edges are worn, and the spine is wrinkled (as seen in the pictures). But there are no missing pages, markings, or highlights. This got me through my program, and it'll get you through yours! Priced accordingly. I ship the next day (unless the post office is closed).
