## **Chicken Lips & Rocket Ships** Brian Lock

In the much anticipated follow-up to the widely popular *There's a Hippo in My Bathtub*, Brian Lock again asks those lingering questions that few dare to ask: Do you have a purring rhino under your bed? A pet dinosaur in your backyard? Maybe you're just planning on building an elevator to the moon. Sound impossible? *Chicken Lips & Rocket Ships* will open the door to your imagination and introduce you to the purple-spotted Frozard, April May June, and what really happens when you tell a joke to a lactose-intolerant cow. Make friends with that thing under the stairs or the new squid next door. Find out why rusty old robots are the best and learn that while we may have to grow old, we don't have to grow up.
