Ghostly Murder (PI Assistant Extraordinaire Mystery) (Volume 1) Lotta Smith

**A murder in a locked room...**

**A faceless ghost...**

**Throw in a cross-dressing detective-savant plus his assistant extraordinaire in this new mystery series!**

A high profile murder calls for a high profile detective. When the famous Sushi Czar is found dead in a room that's locked from the inside, the evidence just doesn't add up. Of course, a killer ghost is no match for the deductive skills of Michael Archangel. The fabulous cross-dressing former FBI agent can rock a set of sky high stilettos and assemble clues like puzzle pieces, but can he actually prove a ghost committed murder? Only his assistant knows for sure. Former housewife and London socialite Kelly Kinki (it's *Kinki* ending with an I not a Y) may someday be the Watson to Archangel's Holmes, but for now, she's following orders, coveting his fashion sense and learning from the master PI that there's something truly fishy about this case. Kindle Unlimited subscribers, ***Read for FREE!***
