God's Healing Herbs : Revised, Expanded Dennis Ellingson

An excellent Christian resource on herbs. Beautifully-illustrated pages give tips on how to grow, use, and benefit from 130 herbs. Spiritual lessons from herbs mentioned in the Bible help the reader discover living parables of the natural world in relationship to God's spiritual world. For example, the herb Hyssop has internal and external cleansing value, and it is mentioned in the Bible in relationship to the cleansing of sins. Recipes, culinary and medicinal charts, and a devotional section titled "Jesus and the Herbs" make this book a uniquely inspiring experience and resource.
