Lord, Save My Church

Richard W. O'Fall

Lord, Save My Church Richard W. O'Fall

We expect the devil and his minions to come into the church like a herd of elephants. Instead, they come in like a swarm of termites - unnoticed. All may appear normal, but the fact is, the load-bearing truths that hold up our message are under attack. Satan's been quietly gnawing away at the framework of our church for 170 years. We didn't hear a thing; we didn't see the signs of his destructive power until the damage had been done. There is no doubt that we are in a time of change. The home, the church, and the society of tomorrow definitely will not be what we have known before. . . . The question we must ask is, What will they be now?
