Passing Through the Gateless Barrier: Koan Practice for Real Life Guo Gu

Gateways to awakening surround us at every moment of our lives. The whole purpose of *k?an* (*gong'an*, in Chinese) practice is to keep us from missing these myriad opportunities by leading us to certain gates that have traditionally been effective for people to access that marvelous awakening. The forty-eight k?ans of the *Gateless Barrier* (Chinese: *Wumenguan*; Japanese: *Mumonkan*) have been waking people up for well over eight hundred years. Chan teacher Guo Gu provides here a fresh translation of the classic text, along with the first English commentary by a teacher of the Chinese tradition from which it originated. He shows that the k?ans in this text are not mere stories from a distant past, but are rather pointers to the places in our lives where we get stuck—and that each sticking point, when examined, can become a gateless barrier through which we can enter into profound wisdom.

It makes you quicker to read this book, since you can read this book in your Smart phone. So there is no reason to you personally to past this reserve from your list.

Pedro Murray:

As a college student exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some publication, they are complained. Just minor students that has reading's internal or real their pastime. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Passing Through the Gateless Barrier: Koan Practice for Real Life can make you experience more interested to read.
