Small Lofts showcases the variety of innovative ways that small industrial spaces can be transformed into spacious living areas. The open concept of loft living can be customized to suit most any taste, and this book guides us through 27 newly renovated lofts. Most spaces are under 1,000 square feet, with one loft measuring only 172 square feet. The resulting living spaces offer contemporary solutions to crowded urban living. Readers will enjoy the practical text, clear plans and dazzling full-color photographs.
