The Day, Month, and Year

Jade Ashcroft

The Day, Month, and Year Jade Ashcroft

Most of us wonder why we are here and what life is all about. It is possible to answer these questions through the application of astrology and numerology to life events. These ancient sciences can affect and shape our lives, and author Jade Ashcroft can show you how.

In *The Day, Month, and Year*, she tells her life story, one marked by struggles with mental illness and love affairs. She then illustrates the significance of date, time, and year throughout her life events. Ashcroft reveals real evidence about the knowledge that can be gained through the study of the planets and numbers as they relate to our lives. Dates-particularly birth dates-can offer insight into ourselves and can guide us as we seek to make sense of the past and present and move forward into the future. The understanding presented here can provide meaning and answers to anyone seeking to know more about the interconnectedness of life.

In this memoir and guide, one woman shares her personal narrative of a challenging but rewarding life, along with the understanding she gained from astrology and numerology.

From reader reviews:

Helen Henson:

Book is definitely written, printed, or outlined for everything. You can recognize everything you want by a e-book. Book has a different type. We all know that that book is important point to bring us around the world. Alongside that you can your reading skill was fluently. A reserve The Day, Month, and Year will make you to always be smarter. You can feel much more confidence if you can know about everything. But some of you think in which open or reading a new book make you bored. It is not make you fun. Why they are often thought like that? Have you in search of best book or suitable book with you?

Charline Bynum:

Playing with family in a very park, coming to see the coastal world or hanging out with pals is thing that usually you might have done when you have spare time, subsequently why you don't try factor that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love The Day, Month, and Year, it is possible to enjoy both. It is fine combination right, you still need to miss it? What kind of hangout type is it? Oh seriously its mind hangout fellas. What? Still don't have it, oh come on its identified as reading friends.

Patti Wooden:

You may get this The Day, Month, and Year by go to the bookstore or Mall. Simply viewing or reviewing it might to be your solve difficulty if you get difficulties for the knowledge. Kinds of this book are various. Not only by simply written or printed but also can you enjoy this book by means of e-book. In the modern era similar to now, you just looking from your mobile phone and searching what their problem. Right now, choose your own personal ways to get more information about your e-book. It is most important to arrange you to ultimately make your knowledge are still upgrade. Let's try to choose proper ways for you.

Marilyn Oxford:

What is your hobby? Have you heard which question when you got students? We believe that that question was given by teacher on their students. Many kinds of hobby, All people has different hobby. And you know that little person similar to reading or as studying become their hobby. You need to know that reading is very important along with book as to be the point. Book is important thing to provide you knowledge, except your current teacher or lecturer. You will find good news or update regarding something by book. Different categories of books that can you decide to try be your object. One of them is niagra The Day, Month, and Year.
