The Teachings of The Order of Christian Mystics Awaken the Inner Life. THE DIVINE MOTHER The most beautiful gem of the series. Today, as never before, a cry of heart-hunger goes up from a humanity which has waited so long for a real understanding of all that, age after age, it has accepted, has striven to live for, has died for, yet has not fully understood or received. This great hunger-cry is not a cry for physical things but is the fulfilment of the days so long foretold of old: "Behold, the days come, saith the Lord God, that I will send a famine in the land, not a famine of bread, nor a thirst for water, but of hearing the words of the Lord." To all such the Divine Mother comes holding in her outstretched arms the radiant form of Her Son, the Lord of Glory, the fruit of Her bringing forth. With the birth of Her Son in this New Age She brings to our remembrance all that has been told us, all that has been whispered to our hearts during the dark watches of the long night, all that the Light has revealed in the mystical depths of our consciousness. And in Her loving voice, soft as the whisper of a gentle air from heaven, She says: "Children, behold My Son!" And She beckons to the heart-hungry and says: "Welcome to my feast. It is spread for all who will come and partake and live. For the bread of God is he which cometh down from heaven, and giveth life to the world." Contents
•The Divine Mother. •The Bringer Forth. •The Midnight Prayer. •The Waters of Life. •The Comforter.
