The Power of Small: Think Small to Live Large Jennifer Kennedy Dean

Every moment counts, every decision matters, every act has consequences. Through this 28-day experience, respected author Jennifer Kennedy Dean shows how all big things start small and how a life of obedience is made up of one small obedience after another. Small decisions ultimately affect the outcome of major events. Some insignificant and random event, in retrospect, is pivotal. Each day includes a devotional thought from Scripture on the power of small; a story, either from Scripture or a testimony, illustrating the principle; and a challenge to one small change today.
