Black Life Dorothea Lasky

*You are born and it is to a black life
Full of abuse and strange things . . .*

In her brazen second collection, Dorothea Lasky cries out beyond prophecy and confession, through to an even more powerful empathy. On the verge of becoming pure substance and sensation, *Black Life* is emotion recollected not in tranquility, but in radically affirming intensity.

*I leave and I am a black life . . .
And I want to
Be what you made me to be*

Dorothea Lasky is the author of three collections of poetry. Educated at the University of Massachusetts, Washington University, and Harvard University, she currently teaches at Columbia University.
