Ontario Provincial Parks Trail Guide

Allen MacPherson

Ontario Provincial Parks Trail Guide Allen MacPherson

Revised and updated.

This is the first complete guide written for interpretive and hiking trails in Ontario's provincial parks.

Now revised and updated, it offers an overview of over 308 trails found in the 87 operating provincial parks, with a more in-depth look at the author's favorite trails in each region. Trails range from the well known and well used to those rarely visited and less traveled.

The trails lead to a variety of natural sites including:

- Rivers and waterfalls
- Caves and cliffs
- Wetlands
- Wildflowers and wildlife
- Native pictographs
- Abandoned farms and mines
- Historic ruins.

Parks include:

- Algonquin
- Quetico
- Lake of the Woods
- Bon Echo
- Petroglyphs
- Killarney
- Sandbanks
- Killbear
- Kettle Lakes
- Turkey Point.

Most of the walks are under two hours in length and accessible for the average hiker. The book also includes safety tips, valuable advice for hiking with children, and provincial park rules and regulations.

This book is a must for hikers who want to enjoy a wilderness experience in a managed environment.

From reader reviews:

Elizabeth Branch:

What do you consider book? It is just for students since they are still students or the idea for all people in the world, what best subject for that? Just you can be answered for that query above. Every person has several personality and hobby for every single other. Don't to be forced someone or something that they don't wish do that. You must know how great and also important the book Ontario Provincial Parks Trail Guide. All type of book can you see on many resources. You can look for the internet resources or other social media.

William McDowell:

Do you considered one of people who can't read pleasurable if the sentence chained inside the straightway, hold on guys this specific aren't like that. This Ontario Provincial Parks Trail Guide book is readable simply by you who hate the perfect word style. You will find the data here are arrange for enjoyable reading through experience without leaving also decrease the knowledge that want to give to you. The writer involving Ontario Provincial Parks Trail Guide content conveys the thought easily to understand by many people. The printed and e-book are not different in the articles but it just different such as it. So , do you continue to thinking Ontario Provincial Parks Trail Guide is not loveable to be your top record reading book?

Walter Son:

Nowadays reading books be a little more than want or need but also become a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of guide you read, if you want have more knowledge just go with education and learning books but if you want feel happy read one with theme for entertaining like comic or novel. The actual Ontario Provincial Parks Trail Guide is kind of book which is giving the reader unstable experience.

Stephanie Hopkins:

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's heart or real their interest. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Ontario Provincial Parks Trail Guide can make you experience more interested to read.
