The Complete Golfer Harry Vardon

The Tiger Woods of his day, legendary professional golfer HARRY VARDON (1870-1937), from Jersey in the Channel Islands, was the sport's first superstar. He won six British Open championships-a record that stands to this day-and was the first British golfer to win the U.S. Open. Some consider him the best player in the history of the game. In this classic work of sports literature, Vardon offers his stupendous and invaluable insight into the game. Part biographical, part instructional, part inspirational, Vardon's advice covers: • the makings of a player • the mistakes of the beginner • the choice and care of clubs • "concerning caddies" • the pleasure of a good drive • individuality in putting • the proper attitude toward your opponents • "golf for ladies" • tips for the left-handed player • and much more. First published in 1904, this beautiful replica edition features all of the essential original diagrams and photographs. It will delight and encourage the modern golfer, no matter how seriously-or lightheartedly-one takes the game.

From reader reviews:

Travis Ralls:

The book The Complete Golfer can give more knowledge and also the precise product information about everything you want. Exactly why must we leave the good thing like a book The Complete Golfer? A number of you have a different opinion about reserve. But one aim in which book can give many details for us. It is absolutely appropriate. Right now, try to closer together with your book. Knowledge or info that you take for that, you can give for each other; you can share all of these. Book The Complete Golfer has simple shape but the truth is know: it has great and big function for you. You can search the enormous world by wide open and read a e-book. So it is very wonderful.

Patricia Rodrigue:

Nowadays reading books become more and more than want or need but also be a life style. This reading practice give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book which improve your knowledge and information. The info you get based on what kind of reserve you read, if you want have more knowledge just go with education and learning books but if you want sense happy read one having theme for entertaining for instance comic or novel. The particular The Complete Golfer is kind of publication which is giving the reader erratic experience.

Lauren Veach:

Spent a free time to be fun activity to do! A lot of people spent their sparetime with their family, or their particular friends. Usually they doing activity like watching television, going to beach, or picnic from the park. They actually doing ditto every week. Do you feel it? Do you need to something different to fill your own personal free time/ holiday? Could be reading a book may be option to fill your cost-free time/ holiday. The first thing that you ask may be what kinds of publication that you should read. If you want to test look for book, may be the book untitled The Complete Golfer can be good book to read. May be it may be best activity to you.

Brandy Felts:

You may spend your free time to study this book this guide. This The Complete Golfer is simple to bring you can read it in the recreation area, in the beach, train as well as soon. If you did not include much space to bring the actual printed book, you can buy often the e-book. It is make you much easier to read it. You can save the actual book in your smart phone. Thus there are a lot of benefits that you will get when one buys this book.
