Atlantic Pilot Atlas

James Clarke

Atlantic Pilot Atlas James Clarke

The Atlantic Pilot Atlas provides a complete guide to the weather of the North and South Atlantic, the Mediterranean and the Caribbean. Now revised for the fifth edition, it includes weather forecasting, global warming and hurricane avoidance information as well as wind and current charts, wave heights, tropical cyclone tracks and shipping routes. Any skipper contemplating an ocean crossing needs to know what conditions he is likely to meet en route, in order to plan a safe and comfortable passage, and this book provides exactly what is needed.

40 specially drawn colour charts show detailed information on the winds, currents, gale frequencies, rough sea conditions, hurricane tracks and recommended sailing routes for each month of the year for all these oceans.

'This is what every yachtsman contemplating an extended cruise needs in one book... No serious offshore bookshelf should be without one.' *Yachting Monthly*

'Without doubt the most useful guide for anyone planning a Transatlantic voyage.' *Ships & Ports*

From reader reviews:

Dennis Bloom:

Book will be written, printed, or illustrated for everything. You can understand everything you want by a reserve. Book has a different type. To be sure that book is important matter to bring us around the world. Close to that you can your reading talent was fluently. A reserve Atlantic Pilot Atlas will make you to end up being smarter. You can feel much more confidence if you can know about every thing. But some of you think this open or reading some sort of book make you bored. It is far from make you fun. Why they are often thought like that? Have you searching for best book or suited book with you?

Jesus Loveless:

What do you concentrate on book? It is just for students since they're still students or the item for all people in the world, the actual best subject for that? Just simply you can be answered for that concern above. Every person has different personality and hobby for every other. Don't to be pressured someone or something that they don't desire do that. You must know how great as well as important the book Atlantic Pilot Atlas. All type of book can you see on many solutions. You can look for the internet solutions or other social media.

Elizabeth Hart:

This Atlantic Pilot Atlas are reliable for you who want to become a successful person, why. The key reason why of this Atlantic Pilot Atlas can be among the great books you must have is actually giving you more than just simple reading through food but feed you actually with information that might be will shock your earlier knowledge. This book will be handy, you can bring it just about everywhere and whenever your conditions in e-book and printed versions. Beside that this Atlantic Pilot Atlas forcing you to have an enormous of experience including rich vocabulary, giving you test of critical thinking that we all know it useful in your day pastime. So , let's have it and luxuriate in reading.

Joseph Esparza:

Playing with family in a very park, coming to see the ocean world or hanging out with good friends is thing that usually you have done when you have spare time, then why you don't try matter that really opposite from that. A single activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Atlantic Pilot Atlas, you may enjoy both. It is very good combination right, you still need to miss it? What kind of hang-out type is it? Oh seriously its mind hangout people. What? Still don't obtain it, oh come on its named reading friends.
