Dance Lest We All Fall Down Margaret Willson

“Dance Lest We All Fall Down” is a gripping first-person account of one woman’s experiences living in a Brazilian shantytown. She, a white American anthropologist, joins forces with an African-Brazilian shantytown activist to change the violence and despair they see around them. Their pledge to the residents to create a top-quality educational center for girls becomes a turbulent journey that takes us from the shantytowns of Northeastern Brazil to urban Seattle to high-society London. With the author, we experience a world of drug dealers, street urchins, and capoeiristas, English socialites, power-hungry “do-gooders,” and wise teachers. This is a true story of insight and inspiration, courage, passion, and intrigue.
