Seattle-based baker Craig Oliver leads a life that is happily routine: baking cupcakes for an enormous family reunion, managing Sucre Coeur for its frequently absent owner and closing out his day with a pint at the local pub. He has a kind heart, a knack for pastry and a weakness for damaged people.

Habitual playboy Alex Scheff is looking to drown his sorrows, but instead discovers that he may have a weakness for Englishmen who carry cookies in their pockets. Can a seemingly incompatible pair find the recipe for love in a relationship they claim is casual?
