In *Find Your Rainbow: Inspirations for Grandchildren*, author Patricia Overson invites you to share something lasting: the cherished family legacy of a grandparent's wisdom. Patricia's hope is that through the passages in this book, she will sow seeds of encouragement in the lives of readers--encouragement that can blossom into inspiration, hope, and the confidence to turn dreams into realities.

In addition to her own writings--poems and brief perspectives--she has included observations, words to live by, and plain old common sense from figures ranging from the Rev. Martin Luther King Jr. to Eleanor Roosevelt.

. . . Personalized and permanent: This book is designed to be interactive. Before you give it, you can customize it in two ways. You can check the box next to any of the heartfelt messages and poems to signal that the sentiment particularly resonates with you. You can also write personal thoughts or special memories from the heart, and include favorite photographs, using the blank pages at the end of the book.

Giving this keepsake will help communicate your values, beliefs, and wisdom in a unique way. And these personalized pages can be revisited and treasured year after year, for generations to come.
