The Perfect Coloring Book For Flower Lovers

Inside are 60 professional-quality grey scale images of stunningly beautiful flowers!

This book is perfect for flower loving colorists that want to use colored pencils and shading techniques.

They have been hand-processed using high-end computers, state-of-the-art software and our proprietary processing techniques to bring you sharp, vivid images that jump off the page unlike ordinary gray scale images that have been automatically lightened with graphics software.

Each image is printed on its own page too so you can remove them for framing or gifts.
