Tom of Finland: Life and Work of a Gay Hero F. Valentine Hooven III

The list of artists who had major influence on the gay movement is rather short, since the movement itself is just a few decades old. But without a doubt Tom of Finland has to be included, the man whose amazing drawings tell us everything about love, lust and life of those hunks who have a good heart and live a simple life. Tom of Finland - Life and Work of a Gay Hero is a detailed anthology which is dedicated to his body of work from its early beginnings to the last years. With many drawings, a lot of photos and an extensive biography it gives you a portrait of this unique artist, which is as many-sided and life-embracing as the artist himself.
