Warlord: No Better Friend, No Worse Enemy Ilario Pantano, Malcolm McConnell

On a raid in the Sunni hotbed of the Al Anbar province during the most violent and chaotic phase of the war on terror, Lieutenant Ilario Pantano shot and killed two Iraqi insurgents. Months later, one of his own men disputed Pantano's self-defense claim in the Al Anbar shootings. Pantano was relieved of his command and charged with premeditated murder, a crime punishable by death. This is Pantano's gripping story in his own words -- the story of a patriot who left behind his wife and children to fight for their future; the harrowing account of a military hearing that sparked a national "Defend the Defenders" campaign; and the inspiring choices of an unconventional warrior who continues to call on his fellow Americans to stand strong in the face of our enemies.
