Covenant Theology: A Reformed and Baptist Perspective on God's Covenants Greg Nichols

"Baptists who embrace their historic Calvinistic and Covenantal roots have long since needed a robust and comprehensive treatment of Covenant Theology that includes the nuanced interpretations of the biblical covenants that a baptistic hermeneutic requires. This treatment by Greg Nichols does just that and more. As a devotee of the Westminster tradition (including its chapter, 'On God's Covenant with Man'), I differ here and there; sometimes significantly so. But there is so much to applaud in this volume and Baptists will do well to read this volume carefully and with much gratitude. A splendid achievement. I, for one, will insist that my Presbyterian students read it." - Derek W. H. Thomas
