How to Access and Trade the World's Biggest Market Philip Gotthelf

The first and last word on trading within currency markets Expert trading veteran Philip Gotthelf provides the first comprehensive guide to currency speculation aimed toward the average investor. Combining fundamental and technical analysis, this book teaches traders how to take advantage of fluctuations within the currency markets and capture enormous gains. Currency Trading takes the latest developments in the FOREX market and provides readers with a complete trading plan.

Philip Gotthelf (Closter, NJ) publishes the Commodex System, the longest-standing daily futures trading system in the world, and Commodity Futures Forecast Service. He is also President of Equidex Inc., a registered Commodity Trading Advisor. Gotthelf wrote TechnoFundamental Trading and The New Precious Metals Market.

New technology and the advent of around the clock trading have opened the floodgates to both foreign and domestic markets. Traders need the wisdom of industry veterans and the vision of innovators in today's volatile financial marketplace. The Wiley Trading series features books by traders who have survived the market's ever changing temperament and have prospered-some by reinventing systems, others by getting back to basics. Whether a novice trader, professional or somewhere in-between, these books will provide the advice and strategies needed to prosper today and well into the future.
