Hand Drawn Halifax: Portraits of the city's buildings, landmarks, neighbourhoods and residents

Emma FitzGerald

Emma FitzGerald sketches Halifax and its residents vividly, in colour. She effortlessly catches moments in the life of the city. While she draws, she keeps notes on what she sees -- and what people say to her. She has an ear, as well as an eye.

In this sketchbook readers will find spots they didn't even know existed and hear stories they never imagined. Emma overhears conversations in the bookstore, notices prom night in the Public Gardens, learns the recipe for McNabs famous Island lemonade, checks out Ashtray Rock, and finds out where the real fishermen live. The personality and character of the city and its people shine through in the brightly illustrated pages.
