A complete story with no cliff hanger, brought to you by best selling author Cher Etan. Jonathon is facing losing it all. His grandfather has given him an ultimatum: Marry and be in a stable relationship by the time you're 30, or lose out on your inheritance. There's just one problem; the women Jonathon has so far associated himself with are less than marriage material, and would probably cause more issues in the long run than they're worth. So when he 'bumps into' Leila on the way to a benefit she's organizing, he soon decides she's the perfect woman for the deal. Smart, caring and attractive, and not the kind of woman who would get greedy and take him for all he's worth. But how will Leila, a woman who's been heartbroken in the past, feel about marrying for convenience? And when Jonathon's granddad realizes his grandson's marrying a woman of color on an average salary, how will he react? Find out in this touching romance story by best selling romance author Cher Etan. Suitable for over 18s only due to sexual scenes so hot you'll need an ice shower.
