A day-by-day review guide for the Cisco Networking Academy IT Essentials student

31 Days Before Your CompTIA A+ Exams is a preparation guide for all four A+ exams (2006 objectives) and maps to the IT Essentials: PC Hardware and Software Version 4 course developed by the Cisco® Networking Academy®.

Not sure which specialty exam to take: Field Technician, Remote Technician, or Bench Technician? This book breaks down key exam topics into manageable bits of information to review and helps you decide which direction to take after passing the Essentials exam on Day 15.

Use this day-by-day guide to organize, prepare, and review all the CompTIA® A+ objectives. The features of the book empower you to fit exam preparation into an otherwise busy schedule:

• Tear-out calendar summarizes each day's study topics
• Checklist highlights important tasks and deadlines leading up to your exam
• Description of the CompTIA A+ exams and signup process includes instructions on how to use a Cisco Networking Academy course voucher
• Strategies from the author help you to be mentally, organizationally, and physically prepared for exam day
• Conversational tone makes your study time more enjoyable

Ben Conry has a master's degree in instructional technology from Johns Hopkins University and currently holds CCNA®, CCAI, and A+ certifications. He is the lead instructor for Information Technology Essentials 1 in Baltimore County public schools, where he consistently guides disadvantaged students through their A+ certification. He has received awards and citations for his commitment to educational excellence and for preparing students for both college and the workforce.
