Everything is about to change for Lily Hayes and Kelvin Carter Jr. There's a storm coming, and it threatens to destroy everything that the couple treasures most: their friendships, their livelihood, their dreams, and their love for each other. Without Uncle Mikey around to keep things in order, Senior, his new underboss, and his new Russian partners have taken the Carter family down a brutal, deadly, and dangerous path that can only end in one of two ways: with all of them in prison, or with all of them dead. With an undercover agent hot on their trail, and the impending collapse of the Carter crime family, only one question remains for Kelvin and Lily... Are they strong enough to survive? *This book is intended for mature audiences*
