God's Angels His Ministering Spirits Rev. R. Stienstra, Dr. A. Kuyper

God's Angels: His Ministering Spirits is clearly the work of a mature, highly educated and experienced author. Dr. Abraham Kuyper (1837-1920) produced the book toward the end of his life, after he had given strong leadership in church matters, founded a university and also a Christian political party, and served as Prime Minister of the Netherlands. His extensive writing in the areas of theology and the Christian life-view prepared him finally to focus on the subject of angels. It was a privilege and a challenge for me to make this highly significant book available to the English speaking people. The book pursues all sorts of facets in the life of angels. From when they were created to what their task really entails. The falling into sin of a large number of angels is important for the human race. Why is there a Satan? Do people have a guardian angel? Will the angels be there when we die? Many questions are answered. This book will make the readers think and become enriched with greater Biblical and practical knowledge.
