Revolution and Other Writings: A Political Reader

Gustav Landauer

Revolution and Other Writings: A Political Reader Gustav Landauer

The first comprehensive collection of Gustav Landauer's writings in English, this valuable addition to the history of anarchism in the early 20th century gathers more than 40 influential works by one of Germany's most prominent radical agitators. The readings presented here cover Landauer's entire political biography, from his early anarchism of the 1890s and his philosophical reflections at the turn of the century to the subsequent establishment of the Socialist Bund and his tireless agitation against the coming Great War. Additional chapters on war and nationalism, the United States and Mexico, and opinion pieces and personal letters reveal the further scope of Landauer's thinking with pieces on corporate capital, education, language, and Judaism.
